

PROJECT SCOPE STATEMENT	
Project Name	No More Waste
Project Deliverables	Detailed Description
Donation Form	This form will be specifically for businesses or restaurants. The restaurant will have to input information about what kind of food they would like to donate and any other information that they would like the shelter to know.
Sign Up/ Sign in for Restaurants and Shelters	Restaurants and shelters will have to sign up before they can use the application. Signing in will be required every time a restaurant wants to post about excess food they would like to donate or if a shelter would like to accept a donation.
Sign Up/Sign In for volunteer drivers	Volunteers would also have to sign up/sign in to use the application.
Donation Page(Homepage)	Shelters will have access to a donations page where they would be able to view all donations from all restaurants. Shelters then will be able to request that food. They will be matched with a volunteer who will deliver the food. Volunteers will have access to a homepage where they will be able to accept any deliveries they would like to volunteer for. Restaurants will also be able to see this page where they can view all the donations from all the restaurants that have signed up for the platform but will not be able to request donations..
Notifications	Restaurants will get notifications when a donation has been accepted. Shelters will get a notification when their request has been accepted. Restaurants and shelters will also get a notification when a volunteer driver has been matched with them and is on their way to pick up or drop off the food.
Project Exclusions	
Mapping Services	
<p>Nice to Have in future iterations:</p> <ul style="list-style-type: none"> • Expand this app to incorporate things like clothes, cash donations etc. • Chat feature so restaurants and shelters can chat with the volunteer driver. • Filtration on posts so Shelters can easily navigate the home page.
